3ANGLE ARMCHAIR

Designed by Grupa, the 3angle Armchair complements the 3angle 2-seater sofa. The fragmented armrests resemble the line of a human arm folded at the elbow, creating a crystal-like form. Its rigorous geometry is softened with padding, merging the firmness and the gentleness of sitting comfort. 3angle is a quite inviting and convivial haven for a relaxed and informal way of sitting. It is an armchair that hugs. 3angle is available in a large range of high quality fabrics and leathers. An ottoman is available in the 3angle collection to complement the sofa or armchair. Seat height is 45cm.
