3ANGLE SOFA

Designed by Grupa, 3angle brings a different perspective to conventional sofa forms. The fragmented armrests of the 2-seater sofa resemble the line of a human arm folded in the elbow, creating a crystal-like form. Its rigorous geometry is softened with paddings, merging the firmness and the gentleness of sitting comfort. 3angle is an inviting and convivial haven for a relaxed and informal way of sitting. It is a sofa that hugs. 3angle is available in a large range of high quality fabrics and leathers and works perfectly accompanied by the 3angle armchair and ottoman.
