## CLOUD ARMCHAIR

The Cloud armchair is a part of the Cloud collection designed by Sanja Knezović, which morphology is defined by the simple basic lines of a somewhat lower armchair and an elevated armrest. Support from the cold foam reinforces its entire volume, while the superficial layer of feather filling adds extra softness to the Cloud and ultimately a feeling of 'sitting on the clouds'. Cloud is available in a large range of Prostorja's collection of high quality fabrics and leathers. Sitting height 40cm, armrest height 70/53cm.
