CONTRALTO SIDE TABLE

A collection of functional and elegant accessories, Contralto wears its pared-back, linear look as a distinguishing feature. The series comprises mirror, side tables and valet stands. All shelves and set-down spaces are made from turned and smoothed ash to provide a lovely tactile quality and prevent damage of any kind to whatever item of clothing or other object is placed on them, no matter how delicate. These pieces can be tailored to individual requirements, choosing any of the Pianca wood options.
