DIONISO BED

Designed by Cazzaniga Mandelli Pagliarulo, the Dioniso Bed reinvents the classic four-legged bed, combining simplicity and style. Practical and multi-functional, the shape of the rear legs sweep up to support the headboard, turning into two little square side tables with rounded edges, handy for placing items. Available in Australian Queen & King standard sizes and a selection of upholstery fabric or leather and timber frame finishes from Pianca's collection.
