## ELLA EASY CHAIR

The Ella is a compact seat allowing you to adopt all manner of sitting postures easily while properly supported at all times. A notable feature is its buckled dish shape which, together with its geometrically faceted sides gives a truly distinctive look to the armchair. Because of its range of application and small scale, Ella is very useful as an additional seating unit both at home as well as in public spaces. Available in two versions; swivel base 4-cross leg in matte black or swivel 3-cross leg in metal with wooden profile. Seat height/depth: 42/48cm.
