EMI CHAIR

Linear, modern, slender design, unbeatable comfort and quality design details: Emi pairs beauty with functional benefits. The leather covering is enhanced by the distinctive expertly crafted double-needle top stitching, while the fabric versions feature handy zip-off covers. A lot of care and thought has gone into the details and as a result the chair really delivers on comfort: ergonomically designed backrest, optimal angle between the seat and back, light padding to support the body and give the structure a softer look. Seat height 51cm.
