ESSE CHAIR

The family of Esse upholstered chairs designed by Philippe Tabet consists of two armchairs, one of which has a solid base, and one chair. "Esse" recalls an iconic, continuous sign, the "S", visible in the seat profile; creating a welcoming, curvaceous and harmonious design. The polyurethane shell is covered in Pianca's wide range of fabrics and leathers as well as the option to select the timber of the leg. The solid base armchair has the option of a swivel mechanism. Seat height 47cm.
