FILO BED

Versatility is the added value for the Filo Bed. Its minimal design and dimensions let it discreetly and elegantly adapt to any environment. Like an uninterrupted line, the fully-covered headboard and bed frame create a single, continuous shape. The upholstered headboard is available in a tufted version or plain version, in leather or fabric. The straight, almost two-dimensional legs are available in Plexiglas, wood and matt lacquered and in matt and glossy metal finishes.
