GAMMA CHAIR

The Gamma chair fully embodies the Pianca philosophy: quality, longevity and Made in Italy excellence. The signature feature is its seat: the shape, reminiscent of the cross-section of an egg, is designed to be comfortable and cocooning, in both the rigid lacquered version (22 lacquers colours available) and the padded version with non-removable or loose covers, available in fabric, leather and synthetic leather. The base is the element that changes. It is available in four variants: legs, metal pylon, solid wooden slanted legs and tubular base.
