GEORGE EASY CHAIR

George by Gijs Papavoine is guaranteed to provide enclosed comfort; George is a friend – a friend for life. George's back and seat create a flowing line with its headrest and thanks to the horseshoe-shaped seat and wide, rounded back, you're guaranteed optimal support in any position. The light-footed base – oak, black-stained oak or walnut – completes the chair's understated, functional design. The deliberate folds in the interior cover make the George an great candidate for aniline leather upholstery, though the wide range of fabrics offers plenty of alternatives. And if you like to put your feet up, there's an optional matching ottoman for extra comfort. Seat height/depth 44/52cm.
