MATCH ARMCHAIR

The Match armchair is a part of the Match collection by Sanja Knezović. Its morphology is defined by the simple basic lines of a somewhat lower armchair and an elevated armrest. While the cold foam fills its complete volume with sufficient firmness for comfortable sitting, a cover made from natural materials furthers the experience of comfort and relaxation. Match's dimensions go hand-in-hand with the needs of diverse groups of users and can be customised by a wide selection of fabric and leather options. Sitting height 40cm, sitting depth 62cm.
