MONK BARSTOOL

The Monk barstool is the newest member of the Monk collection by Grupa. Its form has been derived from the metal structure typology that has been added to the collection as an alternative to wooden legs. The seat is made of bent plywood, like in chairs and armchairs, upholstered in fabric or leather. The metal structure of sled base, circles around the back of the seat, forming the back rest. Sitting height: 77cm/65cm.
