OPLÀ ARMCHAIR

Eclectic and elegant, Oplà is the armchair equivalent of a warm, romantic embrace. A modern tub chair designed with rounded lines from head to toe and featuring prominent volumes and proportions offering comfortable, wraparound support. The seat consists in a high, soft cushion designed to slot perfectly into the hollow in the middle of the carcass. Resembling the veins of a flower, the stitching on the inside of the backrest plays up the harmonious geometry. Available the version with removable fabric covers and the non-removable leather upholstery version. The base can be fixed or comes in a swivel version with auto- return mechanism.
