## REVOLVE SOFA BED

Designed by Numen/For Use and Borovnjak & Bratović, Revolve is a multi functional sofa that unites seating and sleeping function in an innovative way. Its design stands out in any interior, giving it a special character. Awarded the Red Dot Design Award in 2012, by a simple rotation of 180 degrees it transforms from sofa into bed. Revolve is the perfect bed for two, thanks to the padding that is the same as for the self-standing mattresses. Available in Prostoria's wide range of fabrics, as well as the option to combine colours on the back rest and seat. Sitting height 38cm, sitting depth 68cm. Mattress size 210 x 140 x 38cm.
