## RHOMB CHAIR

Designed by Simon Morasi Piperčić, Rhomb is a spacious, comfortable and solid chair with armrests, produced in combination of latest wood manufacturing technology and sophisticated handcraft. The character of the chair is defined through rhomboid section which rotates and changes its shape depending on the function of the curve that unites backrest and armrest. Through selection of several types, colours and finishes of solid wood, the chair easily adapts to various interior situations of residential or public spaces. Seat height 45cm.
