The Tosca sideboard stands out for its compact forms, finishes and internal bar kit. The shape of the base has an elegant tapered look to it in lacquered finishes or metallic gold, bronze or titanium, while the doors protrude beyond the frame of the sideboard, creating an unexpected edge detail and providing an easy grip for opening, revealing a further contrast in materials between the exterior and interior finishes. Coordinating or contrasting, the surface finishes are available in Pianca's wide range of finishes, including wood and matt or gloss lacquered colours.
