ABOUT US

Established in early 2019, a passion for design lives in our DNA with a long history and expertise in the design and furniture industry.

We represent a carefully curated group of local and international designers; offering an evolving selection of products and solutions across furniture, joinery, lighting and accessories, with an emphasis on developing and building an environment that celebrates design.

We are a small, passionate team, who live and breathe design. We care about our clients and their projects and take care in all parts of sourcing, communicating, and delivering.

TABLES & CHAIRS

- Scalable
- Extendible
- Customisable finishes

We offer a customisable collection of Tables from leading European brands, Pianca, Prostoria, Miniforms, Armet and COR. Our curated collection of European chairs offer form and function.

SOFAS

- Versatile
- Sectional
- Removable covers
- Residential and commercial spaces.

Our focus is on blending timeless design with exceptional craftsmanship to create seating that elevates any space, each piece is a statement of refined luxury and durability.

BEDS

- Customisable finishes
- Storage bases
- Adjustable heights
- Australian sizing

Beds designed by the best names in European design. Our products range from minimalist lines to daring original designs.

STORAGE

- Modularity
- Wide range of lacquers, fine woods, gloss finishes

Sideboards, dressers, nightstands...

Functionality and modularity combine for a design that adapts to both the modern, minimalist style, as well as a more sophisticated style.

collective

We have established our new showroom in the design hub of Richmond with the latest collections and finishes from our international brands and we look forward to introducing you to both our team and our space.

Our sample room is full of the latest finishes, our showroom full of the latest pieces to support your projects for 2025.

Let's collaborate.
